EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Gregg W. Wisdom on March 07, 2005.

3. The application has been amended as follows:

Claims 1-10 have been canceled.

Claim 19: last line, the term "**first**" has been deleted.

4. The following is an examiner's statement of reasons for allowance:

Claims 11-18 have been indicated for allowance because the prior art fails to teach the entire combination of a manual imaging system including an imaging mechanism configured to place colorant onto an object according to data related to the image data with the radiated signal indicative of a position of the imaging mechanism relative to a-reference point and a processing device arranged to receive a representation of the radiated signal and configured to selectively send the data to the imaging mechanism using the representation and selectively receive the image data from the memory.

Claims 19-21 have been indicated for allowance because the prior art fails to teach the entire combination of a manual imaging system including a receiving element arranged to receive a radiated signal indicative of a position of the manual imaging device relative to a reference point a processor arranged to receive a representation of the radiated signal and configured to selectively send the data to the imaging head interface using the radiated signal and selectively receive the image data from the memory.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Minh H. Chau whose telephone number is (571) 272-2156. The examiner can normally be reached on M - TH 9:30AM - 8:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew H. Hirshfeld can be reached on (571) 272-2168. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
